Organizations have taken up the following programmes for the development of horticulture, tea, rubber, etc. in the North-East Region:

- A Centrally Sponsored Scheme on Technology Mission for Integrated Development of Horticulture is being implemented in the NE States from Ninth Plan onwards. During 2006-07, an amount of Rs. 164.73 crore was released to the NE States and an additional area of about 53578 ha was brought under horticulture crops. During 2007-08, an amount of Rs. 321.76 crore was released and the target for area expansion was 100232 ha.
- The Tea Board under its Plantation Development Scheme is providing 25% subsidy for bringing hilly areas under tea plantation. During 2006—08, an additional area of 1047.25 ha. was covered under the Scheme.
- The Rubber Board has implemented an integrated scheme for Rubber Development in the North Eastern States during 2006-07 and 2007-08. Major components of the scheme are new planting, replanting, etc. Financial and technical suport is provided for planting and maintenance of rubber till maturity. A special scheme for Block Rubber Planting is being implemented with the collaboration of the State Governments. The proposal is to cover 25000 ha. under new plantations in the Eleventh Plan with an outlay of Rs. 173.05 crore.
- The Spices Board, under its various schemes, has covered an area of 1475.57 ha. during 2006-07 and 2007-08.

As far as NEC and NLCPR funds are concerned, the primary emphasis is on upgrading the infrastructure. However, NEC has taken up some projects to promote the cultivation of mushroom and kiwi.
